

FRACTURE & FAILURE

EXPERT WITNESS SERVICE

Glass Technology Services Ltd is an independent, technical services organisation providing the analysis and testing on ALL aspects of glass manufacture and use.

In cases where legal disputes arise an Expert Witness Service backs these facilities.

Glass Technology Services is experienced in dealing with a wide range of legal disputes where technical understanding, combined with scientific investigation, helps legal professionals understand the issues they are dealing with.

The benefits of using Glass Technology Services Ltd are access to glass specialists with industrial experience providing services that are independent, confidential and flexible.
